CITY CHAMBER CHOIR'S CONCERT is a celebration of women composers and features works by the choir's president **Cecilia McDowall** and **Judith Weir**, the current Master of the Queen's Music. All the music is distinguished by great individuality and character: **Ruth Gipps'** wonderful and powerful setting of the *Magnificat* and *Nunc dimittis*; the lush and evocative *Soir sur la plaine* by **Lili Boulanger**, one of the most exciting composers of the early 20th century, and **Rebecca Clarke's** exquisitely crafted miniatures. The choir's Composer in Association from last season **Katrina Toner** completes the line-up with her delightful *Clouds Away*. An evening highlighting composers of originality and imagination.
